These are the final Series standings. Only teams/solos who competed in two of the three races are eligible for series points.

Series Scoring

How the Series Will Work: Teams and Solos will be automatically entered into the series. To receive points/awards towards the series: 1) Your team must compete in at least 2 out of the 3 races. 2) You must compete in the **SAME DIVISION** (solo, co-ed, or open), under the **EXACT SAME Team Name**.

Top five division finishers will receive some cool awards. Top five **overall** finishers will share a cash purse of \$1,000, divided as follows: \$500 – 1st place solo or team; \$250 – 2nd place solo or team; \$120 – 3rd place solo or team; \$80 – 4th place solo or team; \$50 – 5th place solo or team.

Ranking for the Series will be simple and fair: – Points will be awarded for your best 2 out of 3 races. – Points are equal to your actual rank for each race, with the goal of accumulating as few points as possible. – Ranking will be determined separately for both the Overall and Division categories for the Series. – Example: “Law and Dis-Order” finishes 5th at Carter Caves, 2nd at Lake Cumberland, and 7th at The Fig. So the Series points would be the best 2 out of the 3 races (5 + 2) = 7 points. – In the event of a tie, we will weight the results toward the longer race(s) to determine ranking.
